

### Delay Reasons

Delay Reason on a transaction indicates whether the transaction has been delayed due to one or more items of the

CREST infrastructure being disabled. Each party can only see the delay reasons applicable to them.

The format of Delay Reasons is an array of six 'yes/no' flags in the following order:

<b>Y</b>	<b>Y</b>	<b>Y</b>	<b>Y</b>	<b>Y</b>	<b>Y</b>
Bank Disabled	Cap Disabled	Security Disabled	Member Account Disabled	Participant Disabled	Clearing Disabled
