

## How to Register for the SimGUI

In order to register to use the SimGUI, go to [www.safefinancials.net](http://www.safefinancials.net)

The screen you will now view enables you to register as a new user on to the Safe Financials CREST Simulator GUI (SimGUI).

You are required to fill out all of the nine blue fields. The first group of two fields relates to your existing gateway, and the second group relate to you personally. The fields are as follows:

### Gateway Details:

**GATEWAY ID** - This is your existing Gateway ID. If you are unsure as to your Gateway ID and/or Gateway Password please email [support](mailto:support).

**GATEWAY PASSWORD** - This is your existing Gateway Password.

If you are unsure as to your Gateway ID and/or Gateway Password please email [support](mailto:support).

### Personal Account Details:

**FORENAME**

**SURNAME**

**PERSONAL EMAIL ADDRESS**

**CONFIRM EMAIL ADDRESS**

**PERSONAL ACCOUNT PASSWORD** - *This must be a minimum of 5 characters and a maximum of eight. It can also be alphanumeric.*

**CONFIRM ACCOUNT PASSWORD**

**DEFAULT PARTICIPANT** - This is the Participant for whom you wish to perform test functions. This field is mandatory although you can change which Participant you act with once you have logged in by using the 'Change Participant' function.

If incorrect details are entered into a field an error message will appear informing you of the mistake.

Once all details have been input, click the 'Register Button'. A message box will appear informing you that your account has been created. From here you can proceed to the Login Screen. Alternatively you can return to the Home page.
